## PROJECT

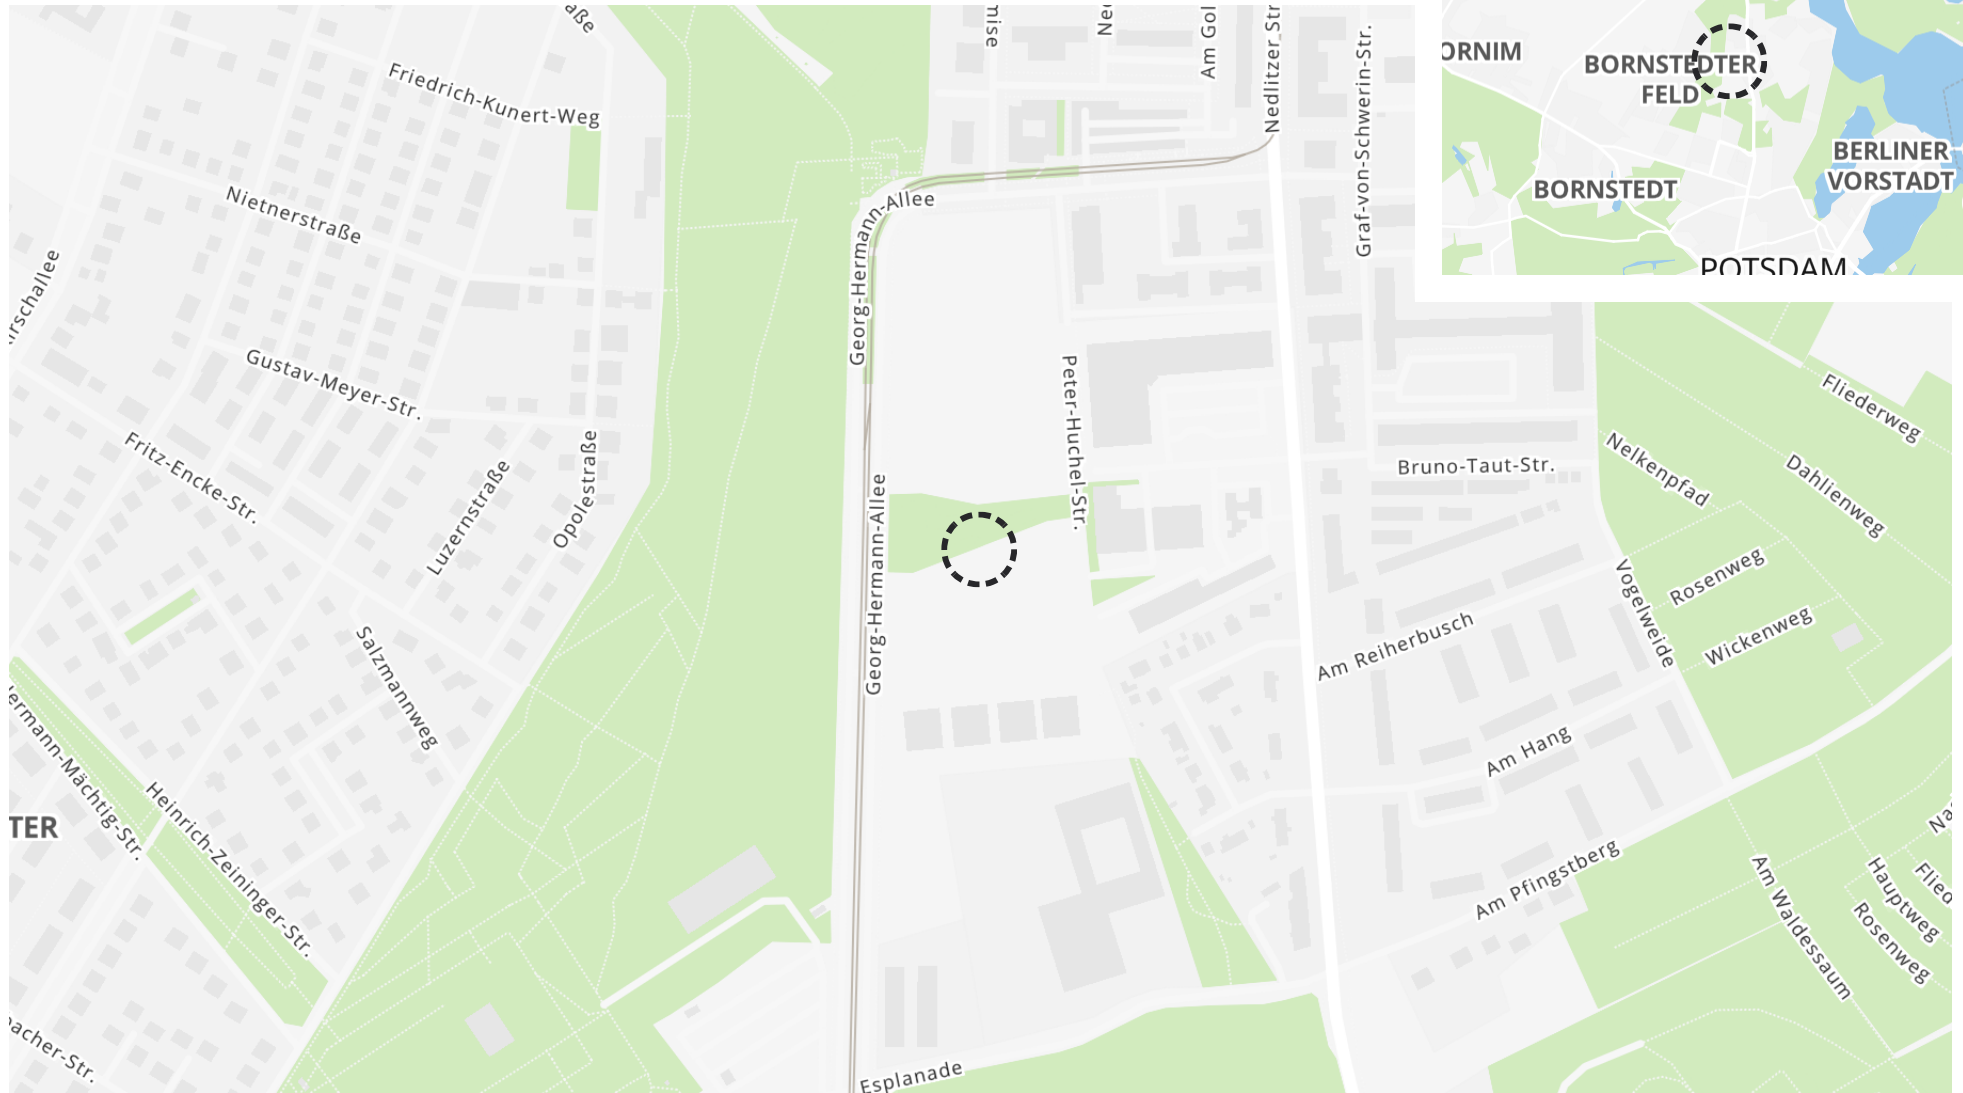

The new building ensemble "Neue Liebe" offers a total of 136 modern condominiums with its 8 city villas. The successful classic-modern villa architecture and the lavishly designed communal garden, based on the historical castle parks in the area, are just as impressive as the detailed furnishings and an extraordinary variety of floor plans. All condominiums are barrier-free accessible via passenger elevators and have balconies or terraces as well as modern equipment such as wooden windows, underfloor heating, real wood parquet, fine stoneware and sanitary ware from well-known brand manufacturers. The new building ensemble is equipped with an underground car park and storage rooms for bicycles and strollers.

## LOCATION

Welcome to the heart of the Brandenburg state capital Potsdam, where the quality of life knows no season. Idyllic lakes, meadows and forests are just as popular as the magnificent castles and internationally renowned cultural institutions around Potsdam city center. The new building ensemble "Neue Liebe" in the Bornstedt district is just a few minutes away from the Belvedere on the Pfingstberg, embedded in an original and authentic neighborhood. The metropolis of Berlin is within reach - the regional express only takes about 20 minutes from Potsdam main station to Zoological Garden station in Berlin.
