PROJECT

The recently completed new building ensemble PAN&CO has a total of 51 modern condominiums, an underground car park and 100 bicycle parking spaces. All apartments are easily accessible via elevators. PAN&CO offers a place where individuality and community are harmoniously combined. The signature of the architects is reflected in every house, in the apartments and in the common areas. Flowing, multifunctional rooms create variable design options. Spacious balconies, roof terraces and gardens skillfully expand living outdoors. PAN&CO embodies modern urban life in a sought-after Berlin location.

LOCATION

Anyone who lives in PAN&CO lives in one of the most diverse districts in Berlin: Berlin-Pankow. In the middle of Berlin and yet a small oasis where originality and urban cosmopolitanism meet. Those who live here do so out of conviction. PAN&CO offers excellent public transport connections; numerous connections to S-Bahn, U-Bahn and bus services are easy to reach. Green parks invite you to take relaxing walks or to linger. Cultural and sporting activities, restaurants and shops are also easily accessible.

NOTES

Shown illustrations and visualizations (interior and exterior views) may deviate from actually planned or executed structural work (walls, windows, doors, floor and wall coverings, facades, colors, roofs, balconies and terraces, plants, etc.), and do not constitute any guarantee of properties in their representation. The floor plans shown are schematic floor plans from which no exact dimensions can be derived. Graphical representations may deviate from the actual condition (wall thicknesses, door details, arrangement of sanitary objects, etc.). The furniture shown is only included in the purchase price if it is described as part of the purchase contract.
